

SMART Lesson Activities

On this page you will find sites that contain SMART Board lessons in Notebook format and/or links to interactive sites that work well with SMART Board. *Many sites cover more than one subject area or type of resource.*

Links on this page are not necessarily part of the Ontario curriculum. This page contains links to outside sources. The Simcoe County District School Board is not responsible for any content housed or published on those sites. Some resources can be downloaded (and some may be zipped). Please place a ticket to the helpdesk if you require assistance downloading or unzipped files. Many sites cover more than one subject area or type of resource. When you are on a website be sure to click on other areas of interest for you. All of these links are broad-based and comprehensive.
