

Other Technology Resources

Many of these links also have SMART Board or interactive links that will work well on a SMART Board. Many links don't require a SMART Board and can be used by students at the computer or can be displayed on a regular screen by the teacher.

Links on this page are not necessarily part of the Ontario curriculum. This page contains links to outside sources. The Simcoe County District School Board is not responsible for any content housed or published on those sites. Some resources can be downloaded (and some may be zipped). Please place a ticket to the helpdesk if you require assistance downloading or unzipped files.

Many sites cover more than one subject area or type of resource. When you are on a website be sure to click on other areas of interest for you. All of these links are broad-based and comprehensive.

[School Zone - Web Guide](#)

Over 62890 educational websites, lesson plans, worksheets etc - reviews are by UK teachers. Registration may be necessary.
