

Links on this page are not necessarily part of the Ontario curriculum. This page contains links to outside sources. The Simcoe County District School Board is not responsible for any content housed or published on those sites. Some resources can be downloaded (and some may be zipped). Please place a ticket to the helpdesk if you require assistance downloading or unzipped files.

Many sites cover more than one subject area or type of resource. When you are on a website be sure to click on other areas of interest for you. All of these links are broad-based and comprehensive.

SMART Board Resources and Interactive Educational Websites

When it comes to technology, SCDSB clicks!

New section coming soon on using CPS and SMART Response clickers. Start with these three websites:

<http://www.classroomclickers.com/> [http://smarttech.com/us/Solutions/ Education+Solutions/Products+for+education/ Complementary+hardware+products/SMART+Response](http://smarttech.com/us/Solutions/Education+Solutions/Products+for+education/Complementary+hardware+products/SMART+Response) <http://www.einstruction.com/>

Please submit broken links or great sites to mvincelli@scdsb.on.ca

[SMART Notebook software](#)

SMART Notebook software manages multiple interactive lessons within a single application. Download documentation in PDF format here. The serial number of the SMART Board is found on the back of your SMART Board. In order to download this update at home, you will need your serial number and you will be emailed the Product Code and Activation Key. Networks will not be upgraded to Notebook v10.6 or v10.7 until the next school year.
